

INTERN ARCHITECT

AES Northeast is seeking an inspired Intern Architect to join our 3-person team in Williston, Vermont. We are looking for a candidate that has a degree in Architecture and a minimum of 4 years of related professional office experience.

Wide ranging responsibilities will include design development, graphic presentation, and construction documentation. We are looking for someone with building construction knowledge, strong technical skills, and Revit proficiency. Someone who can work collaboratively as well as take on independent assignments.

AES Northeast is a multi-discipline A/E firm of 48 architectural and engineering professionals with a diverse portfolio of residential, commercial, municipal, and industrial projects. We offer a welcoming, creative, professional work environment with locations in Plattsburgh, NY and Williston, VT. This full-time position is available immediately.
